Easter 2013

*We are an Easter people and
 Alleluia is our song!*
St Augustine ... 4th Century

"More than ever we must tell our story, we must sing our song. But being an Easter people means that resurrection is part of our life experience, part of who we are, part of what it means to be us. Easter celebrates how Jesus dies and rises in each of us, in our person lives, in family, church, parish, community. It celebrates how Jesus dies and rises in our daily work, in our home life, in our relationships, in the joys and sorrows of the world."

The Rt Rev C J Cyrus Pittman, Anglican Diocese of Eastern Newfoundland and Labrador

The prayer of SPCK/USA is that Christ may be seen in us by our words, the way we live, and by how we "love the Lord our God with all our heart, and with all our soul, and with all our mind" and in doing so may we continue to reach out and "love our neighbor as ourself."

Your Easter gift to SPCK/USA will reach around the world. Alleluia! Alleluia! Alleluia! You may send a check or go to our website and click on the Make A Donation Link.
